GIFT SHIPMENTS:

Acceptable: Duty/Tax free entry allowed for gifts valued up to 110 New Zealand Dollars (approximately \$89 US) per individual. A Letter of Declaration stating the names, who is receiving what items and number of people the gift is required of shipper. If the value of shipment exceeds 400 New Zealand Dollars (approximately \$334 US) after allocating gift allowances, normal taxes will be applicable.

SPECIAL REQUIREMENTS:

- No Commercial Value is not acceptable for shipments to New Zealand. A nominal value must be shown on the Air Waybill (Shipping Label) and Commercial Invoice.
- Customs will charge an Import Transaction Fee and a Ministry for Primary Industries Fee on all Commercial and Private Individual shipments greater than \$400 New Zealand Dollars (approximately \$341 US), additional duties and taxes may apply.
- Goods and Service Tax and duties of \$60 New Zealand Dollars (approximately \$47 US) or more will be charged to shipments valued more than \$400 New Zealand Dollars (approximately \$312 US). Goods and Service Tax and duties less than \$60 New Zealand Dollars (approximately \$312 US) will not be charged to shipments valued less than \$400 New Zealand Dollars (approximately \$312 US). Shipments valued at \$400 New Zealand Dollars (approximately \$312 US) and more will be charged Goods and Service Tax and duties.
- All shipments containing Wood Packaging Materials must be treated and marked. Certification of treatment must be original, free of alterations and erasures, and printed in English.
- The Ministry of Agriculture will charge a Biosecurity Risk Screening Levy of 13 New Zealand Dollars (approximately \$10 US) (including Goods and Service Tax) on all import consignments that attract a New Zealand Customs Service Import Fee of 25 New Zealand Dollars (approximately \$18 US). The total Import Transaction Fee payable is 38 New Zealand Dollars (approximately \$30 US) on all imports over 400 New Zealand Dollars (approximately \$312 US) including Personal effects and Warranty repaired goods.
- Shipments valued more than 1,000 New Zealand Dollars (approximately \$852 US) are required to be registered with Customs and requires an Importer code for clearance. If an Importer does not have a Customs code, an application form could be obtained from the Customs website at http://www.customs.govt.nz/news/resources/forms/Documents/NZCS_224.doc. A copy of company or individual identity is required from recipient to submit with this form to Customs.
- All temporary import shipments must clear Customs by the recipient's appointed broker.
- To avoid delays in Customs Clearance; copies (pre-fax/scanning) of available versions of Commercial Invoices are required. This covers the customer's own business letterhead Commercial Invoice in addition to the generic electronic Commercial Invoice generated via FedEx automated shipping tools. The shipper must enter correct Invoice numbers, enter name and sign the Invoice.
- Due to Customs strict compliance, Commercial Invoices are required for clearance purposes. Invoice should be itemized with the individual values, Incoterms, Invoice Number, detailed description and etc.
- Any free give away's (promotional items, gifts) or samples need to specify a value for Customs.
- The Invoice(s) must state the correct Country of Origin or Manufacturer for individual items.

- It is recommended for the correct Cost, Insurance, Freight values be stated on the Air Waybill (Shipping Label) and/or Commercial Invoice. The freight value should be listed separately to avoid clearance delays.
- The Ministry of Primary Industries will charge a Biosecurity Risk Screening Levy on all import consignments that show on the Invoice Import Transaction Fee of \$29 New Zealand Dollars (approximately \$25 US) or higher, this includes shipments of personal effects and warranty repair items.
- For E-Commerce shipments, accurate values to be declared on the Invoice and Air Waybill (Shipping Label) and the price paid by the buyer. The Invoice should also state any shipping costs prepaid.
- Any food items stopped and inspected by the Ministry for Primary Industries will incur an inspection fee.
- Items such as used saddles, dirty shoes or hiking equipment, articles of wood or pickles may be referred for heat treatment by Ministry for Primary Industries which could incur additional fees.

GIFT SHIPMENTS:

Acceptable: Duty/Tax will be assessed. Items must be described specifically on the Commercial Invoice.

SPECIAL REQUIREMENTS:

- There are four (4) categories for Customs clearance: Category 1 - Document shipments are not subjected to Customs duty/taxes and other local charges provided that the actual weight does not exceed 10kgs pass x-ray examination. They should not be for profit generating activities such as for marketing materials, brochures, etc.
- Category 2 - Non-document shipments valued at \$499 USD or lower with maximum weight of 100kgs are subject to Customs duty/taxes and other local charges per entry.
- The Air Waybill (Shipping Label) and Commercial Invoice details must match. Any discrepancies must be amended prior to shipment arrival. Otherwise amendments will be subject to customs approval and may encounter serious delays.
- Returning shipments to be processed with duty/tax exemption requires Export Customs Entry and Certificate of Identification for return; For example, returning after repair or exhibition. Air Waybill and Commercial Invoice must also state "Repair/Return" with full description of commodity.
- Personal shipments are subjected to duty/taxes and local processing charges.
- Shipments have only 30 calendar days from package arrival for entry declaration to be filed with Customs. If recipient fails to submit within the grace period, shipments will be abandoned.
- Category 3 - Non-document shipments valued higher than \$499 USD, and aircraft parts/ship parts regardless of value or weight are subject to Customs duty/ taxes and other local charges. The Importer must be registered and accredited with the Bureau of Customs. The recipient may request for and exemption in writing from customs for approval for high valued personal shipments.

- Category 4 - Non-document shipments regardless of value or weight, consigned to registered companies under the Philippine Economic Zone Authority are duty/tax free but are subject to local charges. A pre-approved electronic Import Permit should be obtained by consignee prior to arrival of the goods destined to the Free Trade Zone. For more information, visit: <http://customs.gov.ph>.
- Commercial Invoice is required for non-document shipments (commercial or non-commercial) purpose, plus a full description of each commodity. Generic description such as gift, sample, or toy is not acceptable. Brochure or product literature may be required for better description for commodities such as parts and accessories. A value breakdown per item should be indicated for multiple items.
- Customs duty and tax is based on Cost, Insurance and Freight.
- Shipments packed in Wood Packing Material (WPM) must be treated and marked as per ISPM-15 (International Standard for Phytosanitary Measures) and must be accompanied by a Phytosanitary Certificate. An inspection by Bureau of Plant Industry (BPI) is also required, expect delays.
- Shippers are advised to check whether their shipment falls under the Regulated Imports List. Non-compliant could result in significant clearance delays and penalties. See the Regulated Imports List website for the verification: <http://customs.gov.ph/regulated-imports-list-2015-04-06/>.
- Imported shipments are subject to warehouse processing charge which includes warehouse handling and storage fees.
- Radio Communication Equipment, Terminal Equipment or Customer Premises Equipment intended for connection to Public Telecommunication Networks such as importation intended for Cellular Phones, Call Centers and Radio/TV Broadcasting industries require an Import Permit from the National Telecommunication Commission (NTC).
- Approved perishable commodities requiring a temperature control environment, must be cleared by the recipient or their designated broker. Facility storage limitation is from 1 up to -20 degree Celsius only.

- Qatar Import License number of the recipient must be listed on the Commercial Invoice and Air Waybill (Shipping Label).

P
Q

QATAR (QA) - (continued)

- A valid Qatar resident permit or employment visa is needed to import personal effects and must be provided upon clearance. If the value of the goods will be more than \$822 US it will be dutiable.
- All non-document commercial shipments including samples, are subject to Customs duties, legalization charges and a bill of entry fee. Bill of Entry alone is QR 100.00 (approximately \$30 US) per Bill of Entry.
- Entry Fee alone is QR All non-document personal shipments will incur an entry fee of QR 10.00 (\$2.70 US) per entry.
- Legalization fee is applicable for all non-document commercial shipments including samples. All shipments are legalized at the destination. Legalization charge is based on the value of the goods stated on the Commercial Invoice and has a minimum fee of 250 QAR (approximately \$69 US).
- Temporary Import/Repair and Return shipments are prohibited.
- Pro Forma Invoices are not acceptable for any commercial shipment.
- Shipments that are incorrectly declared, due to lack of import paper work will not be cleared from Customs and will be returned to the origin at the shippers expense. No destroy or abandon option for Qatar.
- Shipments with no contact information will not be accepted; a valid telephone number starting with 974 is mandatory and expect delays for mobile contact numbers.
- The Country of Manufacture of a product must be engraved/printed. Stickers or removal tags are not allowed. Original Certificate of Origin and Original Commercial Invoice is needed for all non-document commercial shipments including samples regardless of value. The Original Certificate of Origin and Original Commercial Invoice must be attested by the Chamber of Commerce from the origin. Presently the requirement is not enforced and shipment can be sent without the Original Certificate of Origin if the weight is under 32 kgs (70 lbs). However, in the event that this is applied and the shipment has no documentation as mentioned, a deposit of 1% of the Customs value or a minimum of QAR 500 (approximately \$137 US) will be levied as guaranteed deposit from the importer. This can be refunded when the importer presents the original documentation within the 30 day period.
- Freight and Insurance cost of all shipments must be mentioned on the Commercial Invoice, if not mentioned Customs will calculate the cost as per their regulation.
- Companies requesting Duty Exemption must provide the Request for Financial Reconciliation/Duty Exemption Letter with the FedEx shipping documents or to local FedEx office prior to arrival. Duties and Taxes will be applied to the shipment, if the documentation and approvals are not received prior to the shipments arrival.
- Storage charges will be applicable to all shipments that remain not cleared past 72 hours from arrival. Such shipments would include those with missing or incomplete or inaccurate paperwork, missing official approvals and special permits, shipments requiring payment of duties and taxes and such duties and taxes are not furnished in a timely manner by the customer.
- Radio Equipment will not be accepted if the recipient does not have a license and prior approval from Regulatory Affairs Department. The equipment will be confiscated in case of violation.
- Electronic commodities determined to be radio frequency devices or sub-assemblies capable of sending, receiving or interfering with radio signals require an approval from the Supreme Council of Information and Communication Technology. Expect a delay as importer needs to seek approval upon arrival of shipment. No pre-clearance available for these commodities.
- Vitamins, medicine and supplements are subject for approval from the Ministry of Health. Once approved recipient must claim the shipment personally from the Ministry of Health office.
- All liquid, chemical and powder shipments require a Material Safety Data Sheet if quantity exceeds 100 ml. (3.4 ozs) per shipment.
- The Invoices for electronic items must contain the Brand Name, Model Number, Quantity, and Production Year. This information is required for completing the application for the Information Communication and Technology Ministry approval. Failure to provide will cause rejection of application and further delays in clearance.

GIFT SHIPMENTS:

Acceptable: Duties/Taxes will be assessed.

SPECIAL REQUIREMENTS:

- GXG will accept shipments of Israeli origin. However, this country may not allow such imports.
- Shipments that are incorrectly declared will not be accepted. They will be confiscated and/or returned to the shipper. All related costs for destroy or return will be charged to the shipper.
- Shipments for government and military offices must bear the contact name, telephone number and telephone extension. Without this information the guard will not accept the package.
- No shipment is to be accepted unless a telephone number or valid fax number is included.
- Shipments destined for anyone at an Embassy are regarded as diplomatic shipments and Saudi Customs can only clear when they receive an original letter from the recipient or Embassy. If the shipment is not a document, a letter from the ministry of foreign affairs is required. Please note that this may take an additional ten (10) days to clear.
- Shipments that do not clear Customs (due to any reason) will be confiscated or returned to shipper; billing all related charges to the shippers account. Destroy requests from shipper/recipient cannot be entertained. Customs is not equipped with destroy facilities.
- A Certificate of Conformity is required for certain commodities at the origin, regardless of the value and quantity. Genuine samples with limited quantity, items for laboratory testing and temporary import do not require a Certificate of Conformity. For detailed information, please visit <http://www.customs.gov.sa>. Certificate of Conformity eligibility is identified strictly through the Harmonized Code and shippers required to obtain the same from an authorized agent such as Intertek and SGS prior to move the shipments.
- All Commercial shipments containing jewelry (gold, silver, platinum, pearls, stones, diamonds and etc.) for commercial use must have an original attested Commercial Invoice and a Certificate of Origin. These shipments will be forwarded to the Customs warehouse for clearance by the recipient or their designated broker. Personal shipment containing one or two pieces for personal use valued under \$500 may be released with a copy of the recipient's ID.
- All shipments to Saudi Arabia consigned to individuals valued at \$1,000 US Dollars or higher, will require the National ID (for Saudi nationals) or Iqama (for non-Saudi citizens). All shipments to Saudi Arabia consigned to commercial or governmental entities valued at \$300 US Dollars or higher will require:

- - A letter of authorization for the FedEx Broker Hussain AlZulfa to represent the recipient for customs clearance.

Not Accepted.

DIMENSION NOTE:

Maximum Size: Total length and girth not to exceed 108 inches.

Individual dimensions not to exceed:

Length - 46 Inches

Width - 35 Inches

Height - 46 Inches

Minimum Size: An envelope or package must be large enough to completely contain the Global Express Guaranteed Air Waybill (Shipping Label), postage, endorsement, and any applicable markings. The shipping label is approximately 5.5 inches high and 9.5 inches long.

WEIGHT NOTE:

Total Not To Exceed 70 Lbs

VALUE LIMITS:

\$2499.00

GIFT SHIPMENTS:

Acceptable: Gifts value up to 400 Rand (approximately \$51 US) will be exempt from duty.

SPECIAL REQUIREMENTS:

- All shipments valued over 500 South African Rand (approximately \$73 US) or above will require one (1) extra day for clearance.
- Any shipment entering into South Africa with a value exceeding 500 South African Rand (approximately \$73 US) is classified as high value shipment. Duty and taxes will be assessed by Customs according to the commodity and the value provided on the Air Waybill (Shipping Label) and Commercial Invoice.
- Customs consider all shipments dutiable and taxable, including items not for resale, items of no commercial value, loaned items, promotional items, exchange items, personal effects, and warranty repairs. The true and correct value should be declared at all times. Air Waybill (Shipping Label) and Invoices must be clearly marked.
- Shipments valued less than 500 South African Rand (approximately \$73 US) may be randomly stopped by Customs. Additional paperwork (suppliers price list and purchase order) may be asked for to confirm true and correct value.
- All Returns/Return to Shipper shipments will require a formal entry. If the shipper does not accept to pay the Value Added Tax and or duty, the shipment will be sent to a warehouse of Customs choice for destruction.
- All non-document shipments, regardless of value including those for private individual, must be accompanied by a Commercial Invoice.
- Commercial shipments requires: The Invoice is to be on Company letterhead, Indicate delivery to, Invoice to, Fair market value, and Importers Identification number.
- Electronic Commercial Invoice, generic customer automation produced Invoice and Pro Forma Invoices are not accepted.
- All Shipments exceeding a value of ZAR 500.00 (approximately \$30 US) requires an import code or Identification number that must be listed on the Commercial Invoice.
- Electronic goods and computer parts imported into South Africa at commercial quantities, personal use or resale need a test report from the South African Bureau of Standards. If the Letter of Authority is not available within 5 days of the goods arrival, the shipment will be confiscated.
- Used goods require the recipient to obtain an Import Permit from International Trade Commission.
- All liquid, chemical and powder shipments require a Material Safety Data Sheet if quantity exceeds 100 ml. (3.4 ozs) per shipment.
- Ship spares must be cleared by the recipient or their designated broker.

SOUTH AFRICA, REPUBLIC OF (ZA) - (continued)

- Samples must be tagged, mutilated or marked. Shipments repaired under warranty require export documents (Bill Of Entry, Customs Release Notification, Customs Worksheet, Air Waybill (Shipping Label), and all Invoices) plus the original DA65 (only required if and when faulty items/parts has been exported back to the original supplier). Duties and taxes are exempt with a warrant agreement. Shipments that have Cost of Repair require Valued Added Tax and duties are applicable on the repair cost.
- Replacement items/parts that are as good as new must declare true and correct value. Documents required: a full and complete set of original first import and export documents, plus the original DA65 (only required if and when faulty items/parts has been exported back to the original supplier), supplier price list if originally imported as part of a machine/unit, and the replaced items/parts must be highlighted on the price list for ease of reference.

GIFT SHIPMENTS:

Acceptable: Commercial Invoice must detail all items, subject to regulatory agency clearance and duty/tax will be assessed.

SPECIAL REQUIREMENTS:

- Returning shipment to be processed with duty/tax exemption requires Export Customs Entry for return; for example for returning after repair or exhibition. Air Waybill (Shipping Label) and Commercial Invoice must also state "Repair/Return" with full description of commodity.
- There are four (4) categories for Customs Clearance:
- Category 1 - Document - not subjected to duty/taxes, subjected to 100% X-Ray.
- Category 2 - Non-Document non-restricted commodity shipments valued up to 1,500 Thailand Baht (approximately \$45 US) Cost Insurance Freight (diminimus) and/or sample commodities, properly marked or mutilated are not subjected to duties/taxes but subjected to 100% X Ray.
- Category 3 - Non-document non-restricted commodity shipment valued 1,001-40,000 Thailand Baht (approximately \$33-\$1,300 US) (Low Value - subjected to duty/taxes and Customs inspection.
- Category 4 - Non-document shipment valued greater than 40,000 Thailand Baht (approximately \$1,300 US), shipments with restricted commodity and shipments requiring privilege clearance are subjected to Duty/Taxes, terminal and storage charges. No Commercial value or understated value is acceptable and value must be listed on the Air Waybill (Shipping Label) and Commercial Invoice. Proof of payment may be required by Customs. Royal Thai Customs requires all importers (company or personal) of Category 4 shipments be registered with Customs (original passport/ identification card will be required during Customs registration process) and FedEx should be listed as the clearance broker.
- Recipient can authorize their own broker for clearance. A surcharge of 300 Thailand Baht (approximately \$10 US) plus Valued Added Tax will be applied for transferring paperwork to the broker.
- Commercial Invoice is required for any non-document shipment of either non- commercial or commercial purpose, with full details of each commodity. Generic description such as gift, sample, or toy not acceptable.
- Electronic Commercial Invoice is not accepted. Full Commercial Invoice with business letterhead is required if shipment is a commercial shipment.
- Personal shipment requires signed copy of recipient's passport (Customs may also request for an original passport).
- Personal shipment with restricted commodity, e.g. Food and Drug Administration, requires license. License exemption is subjected to

T

THAILAND (TH) - (continued)

Customs/government officer assessment on case by case basis. Shipment without license if required will be destroyed.

- Personal shipment is subjected to duty/taxes, Customs fee, service fee, and other charges that may apply.
- Wood packaging materials must be accompanied by a phytosanitary certificate. Part of disinfestation or disinfection treatment must be treated with any approved methods of treatment as recommended in the International Standard for Phytosanitary Measures (ISPM). Certified mark by the National Plant Protection Organization (NPPO) of that country from which the wood packaging materials originates must be depicted on the wood packaging materials.
- Dangerous goods to location in Samutprakarn, Khonkaen, Nakornratchasima, Phuket, Songkhla, Chiangmai and Lumphun must be cleared by the recipient or their designated broker. Dangerous goods shipments have a daily storage fee.
- An Out of Delivery Surcharge will be applied of all shipments with postal codes cleared at the Samutprakarn location.
- Food, Drug (Medicine), Cosmetics and Medical Device requires a Food and Drug Administration e-License per Invoice. The Shipper must ensure that the recipient complete the License per Invoice prior to importation. Failure to comply will cause delay. For more information, contact <http://logistics.fda.moph.go.th/fooddrug/home.php> for more information.
- Rough diamonds require Kimberly Process Certificate for Import.
- Stationary shipments require a full detailed description and breakdown of items within the shipment. Quantity, unit value and total value must be included.

GIFT SHIPMENTS:

Acceptable: Duties/Taxes will be assessed.

SPECIAL REQUIREMENTS:

- Customs in Entebbe has phased out old Taxpayer Identification Numbers. Any recipient importing a commodity whose Invoice is more than \$1,000 US must have a new Taxpayer Identification Number. Under declared or over declared commodity is given a penalty of 50% of the total value of the cost of the commodity.
- The Air Waybill (Shipping Label) should always be completed with company name before the contact name, care of or attention name. Entebbe Customs rejects shipments with contact name shown before company name.
- Any shipment with declared value above \$50 US will have to go through Customs clearance process and some delay is expected.
- All non-document shipments are subject to verification from Customs regardless of the value or commodity.
- Commercial shipments cleared require PAX Transport Ltd to be appointed by registering with them online. This includes shipments to: Diplomatic Organizations, Government Institutions, Non-Government Organization and etc.
- All shipments weighing less than 50 kgs (111 lbs) will be charged a handling fee of 32000 Uganda Shilling (approximately \$12 US). For shipments weighing more than 50 kgs (approximately 111 lbs), a fee of 399 Uganda Shilling (approximately 0.15039 US) per Kg will be charged.
- The Commercial Invoice must be itemized to show all commodities. Failure to comply could cause penalties, additional taxes and clearance delays. All consignments of regulated products must go through the Pre-Export Verification of Conformity Process. A Certificate of Conformity is a mandatory requirement for Custom clearance at Uganda ports to ensure that the commodities demonstrate compliance with the Ugandan technical regulations and mandatory standards or approved equivalents. If documents are missing, a penalty may be assessed based on the Cost, Insurance & Freight value for non-compliance. Expect clearance delays.
- Birth Control Pills, Condoms and other items that are used for Family Planning are subject to approval by the National Drug Authority. The recipient has the responsibility of clearing with the National Drug Authority before a customs entry is made.
- Contact lenses are tax exempted. But if brought in parts, they will be grouped in a category of ordinary shipments and will be required to pay duties/taxes.

- Computers, computer parts and software is subject to a 6% Withholding Tax and an 18% Value Added Tax.
